

## **EL HAJ MALIK SHABAZZ**

Malcolm X said

Move on it—and I did! “By any means necessary”

Examine self, speak and write pointedly,

Stand firm; be responsible for your actions.

Malcolm X said

Move on it—and I did! “By any means necessary”

Take a stand on racism and bigotry.

Malcolm X said

Move on it—and I did! “By any means necessary”

We have a job to do—vibrate with the wind, emerge with the sun,

Become one with the elements and fire.

Malcolm X said

Move on it—and I did! “By any means necessary”

Point a finger, focus on the military and prison industrial complexes.

Malcolm X said

Move on it—and I did! “By any means necessary”

Elucidate—peace, nature, man, the environment—

(Greenhouse gases)—global warming, pure air, water pollutants,

Contaminants, toxic waste, dioxin, carbon dioxide, “sinks”, legislators,

Human robots, drug culture, wars, violence within and without—gas—masks,

Genetic modified organisms,--starlink corn—(CRY9C),

Gene–altered soy etc., genetic engineering, test tube, reproduction,

Protein engineering, space medicine, implantment of universal product codes,

Electronic eye/ear, arms systems—in space.

Malcolm X said

Move on it—and I did! “By any means necessary”

Crystallize banks, corporate maneuvering so called globalization—

One super structure—“Bringing the world into one place” enslavement—slavery.

Malcolm X said

Move on it—and I did! “By any means necessary”

Converge on the drum, common good—universal brotherhood,

Peace, harmony, and tranquility.

Malcolm X said

Move on it—and I did! “By any means necessary”

El Haj Malik Shabazz (Malcolm X)
