Drum! Drum! Drum! Rhythm! Rhythm! Rhythm! Reparation is alive – alive!

The United States of America and its Republic view the world as a “Corporation” and they are entitled to all resources inside and outside – Humans Too – on the Planet/Planets! This so called indelible Patriarchal right was bestowed by God through “Manifest Destiny” and the Presidents are the chief executives officers of the Corporatocracy/Corporation who execute Board directives by “Any Means necessary”. The proclivity/inherent inclination of its stock holders to plunder, seize, capture, subjugate, occupy, annihilate, colonize minds, manipulate time etcetera. All countries are viewed as assets – under its wings! Quantized Implicit Greed – Pandemic Subtly Bigotry!

Drum! Drum! Drum! Rhythm! Rhythm! Rhythm! Reparation is alive – alive!

Over stand Imperial Projects – Loans – Independence – Migration – World trade – Summary Justice – Dictated Policies – Legalize Slanted Constitutions and Legislative forays – for the purpose of taking - plunder!

The Spirit of Addictive Blood shedding! Globalized!

“Anglo-Saxon Democracy” – Patriarchal Demagoguery!

“Destiny of the White race”- Dysfunctional white supremacy narrative!

The Spirit of Addictive Blood shedding! Globalized!

Drum! Drum! Drum! Rhythm! Rhythm! Rhythm!
