EVERGREEN PRODUCTIONS 1

Voice of, and for the voiceless ...

Is a cultural organization which purports

- ♦ to teach and promote all aspects of theatre techniques for enrichment and artistic development
- ♦ to produce stage presentations which are local expressions in drama, literature, music, costume, and stage design
- ♦ to establish a working and useful link with other theatre groups through group discussions, forums, panels and lectures

For the past 44 years, Evergreen Productions has been participating in poetry readings and cultural presentations. The group is comprised of poets, musicians, dancers, designers, actors, and humorists. The poetry is accompanied by music and in some cases, by dance.

Evergreen Productions has eight plays in its repertory:

Dem Seh, Mattie Tel Mattie, Nose For Jokes, Ameica, Black Sage, Hopscotch William, The Name of the Game, and Tale of the Times.

Evergreen Productions uses the arts of poetry, song, dance and the drum to educate and stimulate thought. The presented materials are written and arranged by the group, which draws its raw materials from the rich African heritage, present and past experiences coupled with universal impressions, as the group confronts the changing imagery of the sphere.

Evergreen Productions' ingenuity lies in its presentations.

IN FACT

In Fact

We are with you...

We are poetic maestros...

Creators, revolutionaries, mystics...

Literary extraordinaires, trendsetters,

Analyzing and recording truths of our story...

We are educators—we are students...

We are indigenous—we are “in-being”...

We are instruments—we are the elements using rhyme and rhythm to elucidate consciousness...

In Fact

We are with you...

POETRY EXCERPTS

Woman

An ever endearing loving Queen
No higher rank on earth to esteem

As she blooms into a flower
She holds within her great power

Loving her ultimate goal
While she loves with heart and soul

She has amazing resilience, keeps bouncing back

Endures most magnificent challenges

More than a pleasant face
Filled with excellence and grace

Give your magnificent, amazing woman, honor
She so richly and rightly deserves.

Woman

She is males’ flaming fire
Possessing his major desire

A rare and precious jewel
Not to be treated cruel

Exquisite pearl of life
She’s woman, she is wife

A treasure to appreciate
Always one to celebrate

Never one that’s ordinary
She is “extraordinary”

Ultimate queen of life,
Relentlessly pursued, beyond
Realms of sensibility
