

BEYOND CONSCIOUSNESS!
UNIVERSAL MANY – THE DRUM BEAT CONTINUES!

What can the “I” say to our Family and friends? What words of comfort can the “I” bring and share?

Jennifer Ettienne – a matriarch of the indigenous ark was ceded to the ancestors on Wednesday March 4, 2026, the same day in 1982 Zensi Miriam Makeba, “Empress of African Song” is Born.

The Neurons are vibrating – Breathe the breath – exhale – Inhale – out – In! Lady Jennifer as the “I” called her, she radiated imbued universality – A sha woman – Yes! A Sha woman – she overstood the nature of “Being” and “Beings” – My mother referred to her as her “Angel” – the transformative matrix of innateness and when you travelled with her locally and internationally you gleaned her humanity, finesse, creativity, decorative prolific artistic proficiency and impeccable culinary skills – Wow! Nurtured Collectivism!

So do not despair, greet each other in the “upful” tradition by touching each other in the here and now, as the spirit continues to endure – rhythm in life – and life is rhythm – permeate light! Peace! The gift of the heart – Intangible!

Timba fall ah ribba and cumah, cumah fish dive! Shango Ah! Sangoma. Death! A rolling ball – light vanishes – beings freeze – spirits choked in “one” – systems obliterated – Death! A rolling ball – ecstasy/rapture. We are organisms.

BEYOND CONSCIOUSNESS!

Asante Sana (Thank you very much).
