Sango! Ah! Sangoma – Sangoma!

Oh! The Old Ark's Ah moving – and Ah mover in – and Ah mover in – In the Spirit of Time! Rhythm is Life and Life is Rhythm! Sango! Ah! Sangoma – Sangoma!

This “I” received a telephone call Monday July 27, 2026 - this day in 1880 when Alexander P. Ashbourne Patents Process for Refining Coconut Oil, about 3:30am from a Lady that “I” walk with informing “I” that Barton “is” ceded to the ancestors, which was verified by a credible Brother later!

Yes! Kongo Nation and Afrikan Nations are High Nations – Rooted – Mystical! Rhythm! Rhythm! Weaving Professor Emeritus Lyndon O. Barton as this “I” called him. A Son of the Indigenous Ark “is” ceded to the ancestors – you feel the vibration – vibrations! The Mas. Ta Ba. Vibrates – Thunder, Lightning – Rhythm – Rhythm! This Indigenous Son was Rooted in Folk Wisdom, imbued creative critical consciousness and demonstrated his unique exceptional ability by resurrecting the idea that curriculum subjects must be correlated to a central theme. He lived this philosophy through Hermetic Axioms of Tehuti/Hermes, core branches of mathematics, engineering – unique stand-alone greeting/note cards, custom art, posters, illustrations – as the script continues.

“I” interacted with the Professor Emeritus Lyndon O. Barton. We initially went beyond, S.A.T Mathematics Handbook by Daniel J. Svenconis – we delved into Circle, Sum and Product of Roots, Discriminant, Pascal's Triangle, Complex numbers, Conjugate Complex Numbers, Quotients of Complex Numbers, Quadratic Formula, Using Complex Numbers, Addition of Complex Numbers, Multiplication of Complex Numbers, Radical Equations. He created substantial frames of references. The Professor Emeritus reinforced his creative Genius by Patents and Publishing. Among them were A procedure for Trisecting an Acute Angle, A Key to Solving the Angle Trisection Problem, “A Method for the Square of a Circle”, Multiplication and Division Puzzles, Cubic Polynomial – A Graphic representation, Multiplication analysis of a Trisector!

In 2015 this “I” Scripted this in two forms after a discussion about $E=MC^2$ which he described as Rooted and Flawless! BOOK: ASPECTS PAGES 22-23!

BE AWAKENED!

$E=MC^2$

“Energy is equal to mass multiplied by the speed of light squared”

Light intelligence

*Life force/forces – cave of the moon/moons, exaltation of the fire within!

Liberator – poetry, prose, essays and anecdotes – by Arnold Bathersfield

“Everything is dual; everything has poles; everything has its pair of opposites; like and unlike are the same; opposites are identical in nature, but different in degree; extremes meet; all truths are but half-truths; all paradoxes may be reconciled.” – Kybalion

Conscious of electromagnetic spectrum

Conscious of super spectrum

Conscious of the “current of living energy”

Conscious of “light intelligence”

Conscious of dark – Conscious of light

Conscious of “the Seven Hermetic Axioms of Tehuti”

Conscious of Linear versus Cyclic reality – conscious of “cyclic time” Rhythm!

Rhythm! Rhythm! “Non-Linearity”! Conscious of Regeneration. Conscious of “The All of “All” – Conscious of “The All is Mind the Universe is Mental.” Infinity has no beginning and cannot assume finite form.

Conscious of vibration – Conscious of luminosity

Conscious of rhythm – Conscious of breath – conscious of “Geomagnetic reversals.” Oh! “Plate Tectonics”!

Drum! Drum! Drum!

Conscious of fire – Conscious of being

Conscious of spirit – Conscious of water

Conscious of heart – Conscious of actions

Conscious of time – Conscious magnified

Conscious innate – “Current of bliss”

BE AWAKENED! 11/27/2015

Note: Professor Emeritus Lyndon O. Barton promoted the Oral tradition – honoring the spoken word as he understood the ways and means of a people – the village dynamics tailored within a global perspective to the core. As a sports enthusiast – his peers overstood his commitment to mastery whether cricket, chess, draughts, bridge etc.

It was short sighted that the University of Guyana did not embrace his outreach! As the Ancestral tree blooms, let us continue to comfort each other. He is in “One” with us – Folk Wisdom!
