

“LIVING IN MAAT”
(TRUTH, JUSTICE)
Take a Breath –
Earth day is dawning within –
Your days are perpetual –
The planets are rejuvenating – Antiquity –
Reflect on “Maat/the Goddess of Truth, order and
Justice” –
Flowers bloom – stars flicker, and you are in
harmony – Attuned.
Your glass is full – succinctly –
Love and life solidified – Universal “One” –
Truly the daughter of the Sun – God, Re –
Pivoting Aton/Atum –
Stay the course –
The story is told – chronicled –
Enjoy your Earth day, blissfully!
Take a breath.
