

State of “Being”

Tocsin – an alarm bell –
Breathe! The Breath - Succinctly –
 Be wise –
Truism – self evident – naked truth –
Women are nature – “in one” –
Women are sustainers – “the source” –
Women are the cosmos – “universal circle” –
Women are the Black Madonna’s “the all”
Women are Gods! – “life forces”
Women are the cathedrals - “the light”
Women are the mountain tops – “Peak Experience” –
Open “the eye” – “the eye” – mysteries unfolding –
 Disrobe – unfrock – depose –
 Breathe! Breathe! The Breath! –
 “Aum”! A-U-M! –
 Feel the vibration surging –
 Air! Water! Fire! –
 Power! Power! Power!
 Rhythm! Rhythm! Rhythm! –
 Women are the immortals –
 Truism – self evident – naked truth –
 ■ “Silence” –
 Vigilant minds salute “all” women –
