

THIS IS A POEM FOR WOMEN

A poem for the women in “I” “Me” “You.”

Women who embrace universal “love”

Women in one with nature.

Women who are the core of humanity—

Women who came to grips with the phenomena of cosmetic realities

Women who grasp and neutralize the “I” “Me” “You”

Women who stimulate the mind

Women who understand the dimensions of time

Women who create “truth”

Women who celebrate and solidify the “I” “Me” “You”

Women who are nurturers of creativity, balance, and respect...

Women who are caretakers of wisdom

Women, women in the “I” “Me” “You”

Women, Women

In the “I” “Me” “You”

This is a poem of women...
